Name change updates will require documentation.

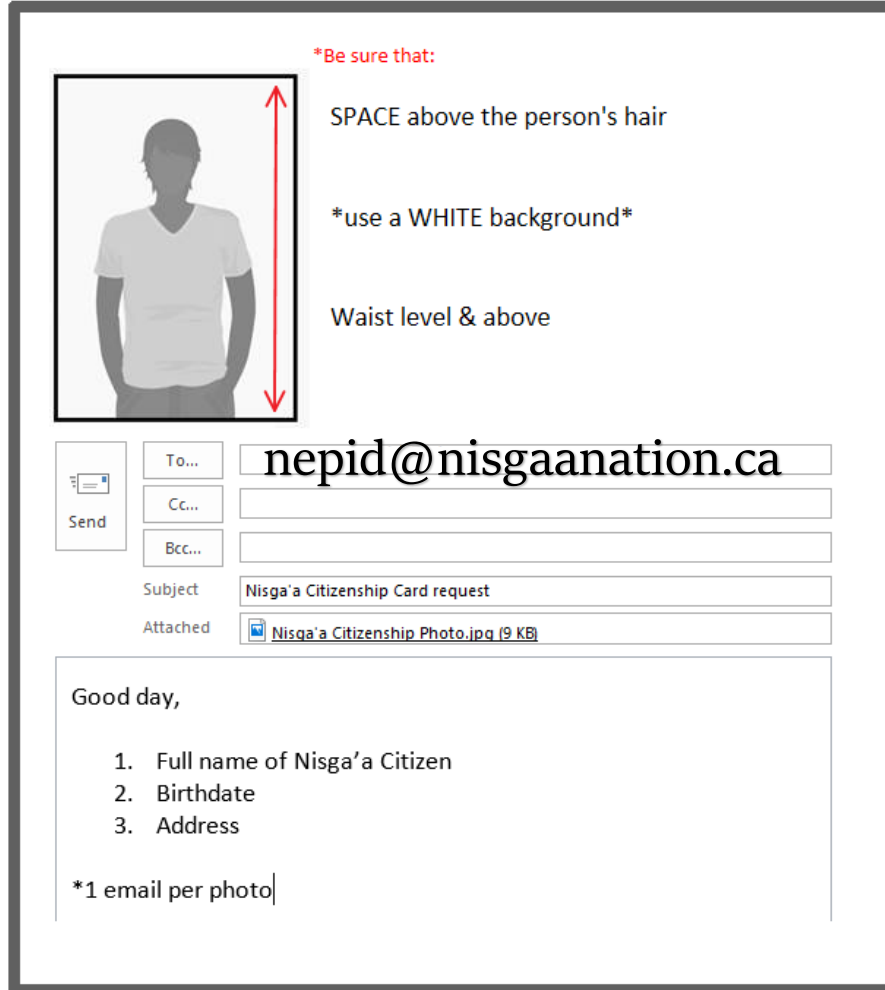

For example a birth certificate, marriage certificate or name change certificate.

If the information was not provided directly to Nisga'a Citizenship team by phone, email or in-person the form above is required to be completed and emailed

Cards are processed on Thursdays and cards will be mailed. Citizens can arrange to pick-up at NLG main office by email. If you have any questions email nepid@nisgaanation.ca

Send an electronic jpg photo by email with a neutral or white background by email with this form.

Here are the photo requirements: example photo and email nepid@nisgaanation.ca

The image shows a composite graphic. At the top left is a silhouette of a person from the waist up, with a red double-headed vertical arrow indicating the required photo height. To the right of the silhouette, the text reads: "*Be sure that:", "SPACE above the person's hair", "*use a WHITE background*", and "Waist level & above". Below this is a simulated email interface. The "To:" field contains "nepid@nisgaanation.ca". The "Subject" field contains "Nisga'a Citizenship Card request". The "Attached" section shows a file named "Nisga'a Citizenship Photo.jpg (9 KB)". The email body contains the text: "Good day,", a numbered list: "1. Full name of Nisga'a Citizen", "2. Birthdate", "3. Address", and "*1 email per photo|".

Your photo will NOT be processed if:

- your head is tilted up, down, or to the side
- your face is not clearly visible or is out of focus
- anything blocks your head or face, including sunglasses, hats, hands, or other objects
- it is photographed against very dark, brightly coloured or busy backgrounds
- if you are wearing tribal or other head gear not specifically religious in nature
- if your image is filtered or excessively enhanced
- if you sent a requested and are waiting more than 2 weeks email to request an update
